

Maths & Literacy World Cup 2016

6th-9th December

Dear Parent,

As you may know, Skoolbo is a great **free eLearning program** that is assisting your child with **numeracy, literacy, and languages**. We are on a mission to help every child learn to read, enjoy maths and be healthy!

This year, **thousands of children** in classrooms across **Australia, The United Kingdom, The United States** and **New Zealand** will compete to see who can answer the most literacy, numeracy and language questions on Skoolbo!

Every question your child answer correctly puts New Zealand **one step closer to victory!** And is a great way to keep children motivated and to improve their core skills.

Will you help New Zealand win the Skoolbo World Cup?

How to play the world cup 2016

Play on Web Browser*

(no download required)

1. Go to dashboard.skoolbo.co.nz/students/login
2. Login with username/password
3. **PLAY!**

Login details

Username

Password

*Alternatively you can download for mobile, tablet and PC/Mac at <http://skoolbo.co.nz/downloads>

Create a parent account
